Many occasions are presented throughout the school year to photograph and/or record students in the course of their school activities and participation in school events. As well, opportunities are presented to share positive stories/reflections about what is going on in our schools through local media. Media contact could be initiated by the school to highlight a special activity/event; or contact may be initiated by the media with respect to an educational issue or initiative for which they are seeking local information. We seek every possible opportunity to present positive stories to our community and celebrate the achievements and accomplishments of our students.

This "Consent to Photograph and Record" form is seeking your authorization for your child's recorded image, voice or work to be used by the media or in school publications, presentations and on websites in the school year, as opportunities arise.

Guideline for homework

Maintaining regular, daily work habits at home and at school improves the academic performance of students. Such habits, when supported in the home environment, promote success later in life.

It is incumbent on parents to check the child's agenda daily for homework assigned, and correspondence from their teachers.

Assignment of homework will vary according to grade level. Primary children will be required to complete class work or practice a particular skill. It is recommended that junior and intermediate students establish a schedule so that a certain amount of time is set aside each evening for assignments, project, work, and study.

- All children are encouraged to read both English and Arabic text every night before going to bed.
- Continued neglect of homework could result in/out of school suspension until all assignments have been completed.

Emergency School Closing

During inclement weather, the school may be closed. An-Noor School will use the following to relay important announcement and alerts:

1. Please watch for announcements by visiting our website (www.annoorschool.com), or our Facebook page (<https://www.facebook.com/annoorschool/>).
2. Please listen to the local radio station (**AM 800**) to convey school closure information.

Attendance

Attendance and “time on task” are closely related to learning. Punctual and regular attendance is not only compulsory, but is essential if the student is to make good progress and maintain a positive attitude about coming to school. All late comers must report to the office to receive a late slip before entering class. Students who are constantly late will not be admitted to class until the next period. We do not permit interruptions while class is in session.

Student Absence

Students who are absent from school must return with absence note duly signed by a parent or a phone call made to the school, reporting the absence. It is the parents responsibility to notify the office of a child's absence.

Physical Education Classes (DUE to COVID-19 P.E. will not be offered this term)

Fitness and the development of kinesthetic skills are important for ever child. In order to gain the most from the physical education program, proper gym attire is required (running shoes, uniform P.E. clothing).

Lost and Found

It is recommended that students have their names on all personal belongings (lunch bags, clothing, etc.). A lost and found box is located inside the photocopy room where all found items will be placed.

Respect of Property

Students should take pride in their notes, projects, textbook, and other materials. This can be demonstrated through care and neatness. Texts, library books, and notebooks must be kept free from graffiti. Similarly, the courteous handling of furniture, clothing, and sports equipment is also emphasized. We expect this to carry over into thoughtfulness of boards, bulletin board displays, the building itself, including lockers, and the surrounding trees, lawns and other areas. Parents of students found responsible for the destruction/loss of school property will be responsible for the restitution of said property.

Student Progress
