Principal's Message

Assalamu Alaikum Wa Rahmatullah

Dear An-Noor Parents,

Alhamdulillah, it seems that time is flying and we are almost three months into the school year. Let me take the opportunity to welcome our Parent Council and the new members who joined us this year and we are looking for more achievements throughout this partnership with them. Over the past few months, we are confident to say that all classroom routines and logistics are now in place. All our staff and students are working hard in all subject areas to meet curricular expectations. Also, our students enjoyed a lot of fun and learning in all extracurricular activities held thus far. Also, more fun activities will be underway in the upcoming weeks. Progress report cards are ready to go home and November 14/15 will be our first Parent/Teacher Interviews. We'd love to see our parents immersed in their kids' learning, so I hope you make every effort to attend these important meetings. Moreover, as An-Noor School strongly believes in having our students learn and grow into good and accountable Muslim individuals and productive citizens, we ask our respected parents to share us this vision and abide by the school policy concerning arrival time which is between 8:30-8:45 AM. Attending the morning assembly is crucial for our students to benefit from Islamic themes introduced, morning Dua's, Quran interpretation, and Seera.

I wish you All the best and I pray to Allah(SWT) to grant us more successes and great achievements, Insha'Allah.

Mr. Abu Amin
Principal

CURRICULUM NIGHT

Our Curriculum Night was a huge success!! Parents came, met teachers and learned about what is being taught to their children. It was an amazing meet and greet session. Thank you to all the parents who came.

Soccer Tournament

The boys' soccer team performed fantastically, this year. They played for first place and had to shoot foul shots in order to determine placement. They represented An-Noor spirit, good sportsmanship, and a positive attitude on the field. Well done Boys!

BAKE SALES

Bake sales are an integral part of An-Noor. Not only are these events fun for the students but they are a necessary fundraiser for the class which hosts the event. The funds raised from the bake sales enable the homeroom teacher to use the money raised for items, which the teacher or students need for the classroom.

STUDENT OF THE MONTH

An-Noor students began on an excellent note this year. Having different themes of Islamic behaviour which our students strive to emulate and implement in their daily lives. Students from JK all the way to Grade 8 received Student of the Month certificates for their exemplary behavior and attentiveness to this month's theme.

*****Good News*** Student of the Month Assembly is back at An-Noor. Parents will be notified of the dates for each monthly assembly.**

Morning Tahfeeth Program

Alhamdulillah, we have 50 students enrolled in the program this year. Sheikh Mohammad Mahmoud and his group of volunteers are working hard to make this program a rewarding experience for all students of all ages.

ANPS Activities

Congratulations to the new executive for the 2019/20 Parent Council. Ma shaAllah they have already been very active having many activities planned for this year. The Exercise and Relaxation Class took place on November 4, and was a huge success. The ANPS Boys Pyjama Party is taking place on November 8, 2019. All those who participated had a wonderful time. The APNS in conjunction with the grade 8 class will be holding a Spirit Week in December. Keep a look out for details.

COAT DRIVE

Warm a Heart with a Winter Coat

We began our coat drive in September knowing that the coats we collect are very much needed by the community. In mid-October, there was a call put out for the community of Windsor to collect coats as well as new socks for the Employment Help Centre. There is a tremendous need each year for coats of all sizes as well as socks and winter accessories such as hats, mittens, etc. Please help us by looking through your closets for gently used or new coats which are not being used. As Muslims, it is our duty to help those who are in need.

Fulltime Tahfeez Program

Alhamdulillah the full-time Tahfeeth Program started and all students are on task. We at An-Noor School would like to congratulate the two graduates Hafsa Nakrawallah & Haitham Alallam.

Fire Drill

An-Noor had its first fire drill on Tuesday November 5th. Alhamdulillah, it was very successful. Students were out of the school and safe in less than 3 minutes.

STUDENT VOTES

Elections of any sort are an important learning experience for students of all ages. An-Noor's grades six, seven, and eight students, participated in the CIVIX Student Vote. This event encourages students to get involved and be aware of the candidates and their concerns in the student's area. The Student Vote encourages students to become more aware and active in their city and promotes leadership and community involvement.

Progress Report Cards

Progress Report Cards will go home on Wednesday, November 13th. Parent/teacher interviews will be held on Thursday, November 14 from 4:15 pm until 5:55 PM and Friday, November 15th from 8:30 AM until 10:10 AM. We ask that you return the interview notice with the appropriate time checked off as soon as possible. There will be no school for students on Friday, November 15th.

BookFair Coming in December

The school book fair will be held from Monday, December 2nd to Friday, December 6th.

This is an amazing opportunity to purchase books and other items for your children while a percentage of the profits will be coming back to the school library.

Field Trips

Many of our students enjoyed our annual fall field trips. Our grades JK to grade 2 went to Theissen's Farms in Leamington. Students received lessons and information specific to their class and then were able to pick apples and go for a hayride.

The grades 3 and 4 had a wonderful adventure going back in time at John R. Park Homestead. They had an amazing time experiencing a day in the life of Canadians living in the late 1800's. Much fun was had by all, Alhamdulillah!!

Heart & Stroke Event

Alhamdulillah, what a success!! Our students worked hard and our goal was reached very easily. The students had a wonderful day jumping and doing many activities using skipping ropes. Well done, An-Noor students!!
